Nominations to Be Friday

Ensemble to Give Assembly Program At 10 a.m. Today

Members of the Rococo Ensemble, a chamber music group consisting of a harpsichordist, violinist, a violist, and a double bass player, will present the assembly at 10 a. m. today in the auditorium.

Having an unusual combination of the four instruments permits the ensemble to play familiar as well as rarely heard music of various periods. One of their outstanding works is "Apotheose de Lulli," a witty piece in which various characters are portrayed by the various instruments.

All four of the artists—Blanche Winogron, harpsichord; Renata Donacini, violinist; Paul Doktor, violist and founder of the group; and Michael Krasnopsky, double bass player—have won acclaim as soloists on their respective instruments. Combined, they are expected to give a performance of unusual merit.

Class Nominations Are at Noon Today

Candidates for membership in the Student Senate will be nominated in conventions to be held at 12 noon today. Freshmen will meet in the auditorium, sophomores in room 205, and juniors in room 325.

Senate members will be elected at the time of the election for president and vice-president of the student body, Wednesday, March 25.

Students to Name Seven Candidates For Highest Posts

Four candidates for the office of president and three for vice-president will be named at the nominating convention for student body officers to be held Friday, March 20, at 12 noon in the auditorium.

The election will be held Wednesday, March 25, from 8 a. m. to 4 p. m. in the Administration building.

Candidates who have filed for the office of president are Don Hannah, Don Kixmiller, Russel Phelps, and Bill Price. Running for vice-president are Janet Su Cox, Edith Eckhoff, and Sammy Schimelfenig.

Don Hannah

Don Hannah, junior biology major from Excelsior Springs, is an independent candidate, being sponsored by the Veterans Club of which he is president. He is an Air Force veteran of the Korean War.

Don Kixmiller

Don Kixmiller, junior from Carson, Iowa, is the candidate of Phi Sigma Epsilon fraternity. He is majoring in mathematics and minoring in physics. He is a member of the Union Board and is a cheerleader.

Russel Phelps

Russel Phelps, candidate of Tau Kappa Epsilon fraternity, is a junior from Exira, Iowa. He is majoring in business and minoring in agriculture. Russel is a member of the Union Board and of the Student Senate.

Bill Price

Bill Price, an independent candidate being sponsored by Sigma Tau Gamma, is a first semester senior majoring in speech. He is vice-president of Pi Kappa Delta, and is a member of Alpha Psi Omega.

Concert Band to Give Assembly For Student Body Next Month

Members of the concert band, under the direction of Mr. Earle Moss, will present an assembly for the student body Wednesday, April 8, at 10 a. m., in the College auditorium.

Two of the numbers which the band will play were written by Mr. Earle Moss. They are "South American Suite," which contains three movements, the "Beguine," the "Rhumba," and the "Fandango," and "The Golden Anniversary March," which was first played on the campus for the Golden Anniversary of the College.

Other numbers to be featured are "Finale" from "The New World Symphony" by Anton Dvorak, "Second Suite for Military Band in F Major" by Gustave Holt, "The Nutcracker" by Eric Osterling, "Belle of the Ball" by Leroy Anderson, and "Semper Fidelis March" by John Philip Sousa.

Members of the College Symphonic Band went on their annual band tour last Wednesday and Thursday. They are Anne Abarr, Kathryn Adams, Suzanne Anno, Victor Anderson, John Andrews, Helen Bahr, Richard Barrett, Dick Bauman, Jane Blezek, Keith Bolen, Everett Boyer, Stephen Brown, Janyce Bullock, Ronald Clark, Sharon Cochran, J. C. Combs, Sandra Crater, Bennett Crawford, Robert Dreher, Joseph de la Cruz, Mary Edwards, Charles Elliott, Raymond Fore, Fay Fox, Judy Grant, Susan Grube, Marjorie Guinn, Joyce Harr, Mary Ellen James, Richard Jenkins, Connie Johnson, Gerald Jones, Linda Jones, Fannie Kavanaugh, Sharon Kiel, Ardith Linn, Phil Mattheis, Marjorie McClure, Carolyn McNeeley, Karen Miller, Maurice Noel, Marcia Offenbacher, Kathryn Palmquist, Ronald Parrish, Joel Pottinger, Robert Reck, Sharon Reis, Jean Richey, John Ryan, James Schar, Lois Schrader, William Schultz, Paul Shea, Stephen Smay, Gary Tolen, Galen Vogel, Darlys Vollstedt, and Nancy Wharton.

Graduate Receives Master's in Iowa

Robert Smith, 1956 graduate of the College, recently received his master of science degree with a major in analytical chemistry at Iowa State College.

Smith, who was an honor student here, took an assistant professorship in the chemistry department at Ames while doing graduate work. He will continue in that position while working on his doctorate.

Faculty Members To Direct Contest

Dr. Ralph E. Fulson—chairman of the speech and drama department, Mr. George Hinshaw, Mr. L. G. Bladt, and Mrs. Alice Wilson will direct the 1959 speech and drama festival to be held March 31 and April 1 and 2.

Contests in extemporaneous speaking, public speaking, poetry reading, prose reading, radio speaking, and plays will be held.

Industrial Group to Visit TWA and Claycomo Plants

Industrial arts students will visit the TWA plant at the Mid-Continent International Airport and the Claycomo Ford Plant on Thursday, April 9. The trip will be sponsored by the Industrial Arts Club. The students will see the

Parents to Make Pre-Easter Visit

Plans for Parents' Day, March 26, are well underway. Parents of students now attending the College or students who have attended the College are encouraged to participate.

From 9:00 to 10:00 there will be a coffee hour in the Union lounge. Each organization will send representatives to help with the activities. From 10:00 to 11:00 there will be an assembly in the College auditorium.

Four Debaters Go To Novice Tourney

Four first-year debaters attended the Rockhurst College Novice Debate Tournament in Kansas City, March 14. Two varsity debaters went along to serve as student judges.

Students attending were Jeanne Kramme, Bonnie McCullough, David Hargrave, and Russell Phelps. Larry Brown and Sandra McMillan were student judges.

Mr. Allixon Plans To Visit College

Mr. Andrew M. Allixon, chief chemist for the Kansas City district of the United States Food and Drug Administration, has written that he expects to visit the college, Friday, March 20, for the purpose of interviewing prospective applicants for positions in the U. S. Food and Drug Administration.

Student Receives Iowa Assistantship

Harlan Higginbotham, graduating senior from Albany, has received word that he has been awarded an assistantship at Iowa State College at Ames to proceed with graduate work in chemistry.

Besides a major in chemistry, Harlan has a major in mathematics and a minor in physics. He is the son of Mr. and Mrs. J. F. Higginbotham of Albany and is a member of Phi Sigma Epsilon fraternity.

Garrett to Judge At St. Joseph Fair

Mr. William T. Garrett, chairman of the biology department, will judge at a science fair at the St. Joseph Junior College April 10. The fair consists of individual projects of high school students from the area around St. Joseph.

Projects in both physical science and biological science will be included. They will be judged on originality, scientific thought, thoroughness, skill, clarity, and dramatic value.

Wright to Direct District Contests

Mr. Richard T. Wright, chairman of the agriculture department, will direct the 1959 District Agriculture contest to be held at the College April 10 and 11.

Contests in field crops, parliamentary procedure, meat judging, radio skit, dairy production, farm mechanics, public speaking, livestock judging, poultry production, soil judging, and dairy products judging will be held.

President Bob Owens Says . . .

To the Student Body:

Nominations for president and vice-president of the student body will be held in the main auditorium on Friday, March 20, 1959, at 12:00 noon.

This is one of the most important activities of the year. Each student is urged to attend in order that he may become acquainted with the candidates and their respective platforms.

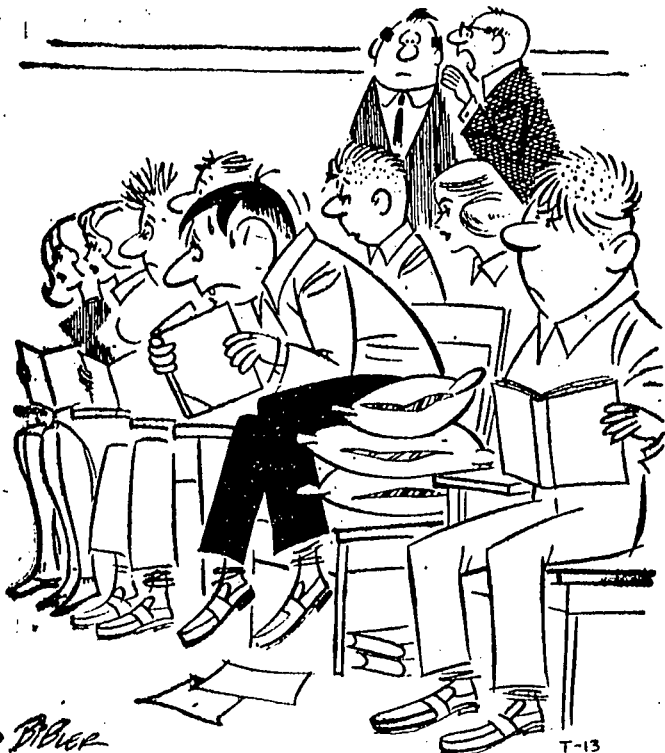

Since the student body has not always enjoyed the freedom of selection, I urge you to maintain your representative student government by voting for the candidate of your choice.

Every student interested in the progress of our college, especially those who are prone to criticize present policies, should participate in our democratic Student Government Association by going to the polls March 25, 1959.

LITTLE MAN ON CAMPUS

I THOUGHT THE ASSOCIATED STUDENTS' HAZING COMMITTEE RULED OUT PADDLING.

Spring Cleaning Time . . .

Winter's grimy, tattered look will soon be replaced by the fresh new look of a new season, for spring is just around the corner.

Operations will be underway to remove the ravages of winter on the grounds of the campus. This work will include the re-seeding of areas from which the grass has been worn. Students should now refrain from walking on these bare patches of ground, especially during muddy weather.

Students may also help to keep the campus in good condition by avoiding the littering of the grounds with paper. Candy wrappers and paper cups blown into the shrubbery are hard to remove and give an unattractive appearance.

Remember that a good temporary "waste paper can" is the coat pocket.

They're Talking About . . .

THEY'RE TALKING ABOUT . . . the approaching student body election and more campaigning . . . the All-Greek dance . . . the "new look" worn by aquatic students that appeared with the reopening of college swimming pool . . . the new fraternity house located just behind the Union building.

THEY'RE TALKING ABOUT . . . the jailbird pajamas frequenting Residence Hall these days . . . new fad? . . . the new Greek officers and the approaching spring formals . . . spring fever—still too early . . . after Saturday's snow . . . seven and one-half inches . . . pop machines that don't work . . . the crowded Den, not much room north of the white line . . . the new Den . . . mid-terms start tomorrow . . . pink slip time coming up . . . the field trips . . . "Seven Keys to Baldpate."

THEY'RE TALKING ABOUT . . . the suffering seniors and those dreaded personal interviews . . . the disappearing knee-length stockings . . . stripes in spring fashions . . . the oversupply of parking permits issued at registration for lots 4 and 6 . . . problems, complaints, situations, and more problems . . . embarrassing moments? . . . the Horace Mann carnival and all the recuperating student teachers.

Shirer Maintains
Germans Will Try
To Run Democracy

"As long as Adenauer lives, the German people will probably try to work democratic processes," said William L. Shirer, author, journalist, and news commentator, speaking in an assembly Tuesday, March 10.

Mr. Shirer believes, however, that when Adenauer is out of the picture, West Germany will be without a capable leader. He also cited an apparent rise in Nazi power in recent times.

Three great revolutions have been going on in the world since World War II, said the foreign correspondent. These are the rise of nationalism, the increase in communist power, and, most important, the revolution in the technology of war—the development of atomic and hydrogen bombs and the means of delivering them on distant targets. He said there are three points that should be known about Russia: the Soviet Union is outproducing America at the moment; it has reached a high level of technology for the first time; and it has developed the atomic and hydrogen bombs and the power to use them.

Shirer, who has spent most of his life abroad, told of what he saw during World War II in Germany and Poland. He said now Russia wants to keep Germany weak by keeping her divided.

His most recent book is "The Rise and Fall of the Third Reich," based on the fall of the German Empire. His "Berlin Diary" has sold more than a million copies.

Journals Become
Popular on Campus

Those Wall Street Journals which the business majors in Dr. Sterling Surrey's Corporation Finance class are carrying daily have become quite familiar to students this semester.

Dr. Surrey gave each of his students \$10,000 at the beginning of the semester with the stipulation that the money be invested in common stocks. Of course it is only money, on paper that is, and each student now has invested his legacy in various common stock. The "Journal" is used to evaluate how well each investment is performing each day.

Dr. Surrey's idea—behind free spending is to instruct the student in market transactions and the importance of reviewing daily the national and world activities and the effects which are reflected by the stock exchanges.

Doubtless any one listening to a conversation among Corporation Finance students would be puzzled to hear college students speak of selling short, buying on margin, Bear markets or Bull markets, all forming a bit of the jargon of Wall Streeters.

NMDA Conducts
Meeting in Union

Elementary principals and county superintendents of the Northwest Missouri District Association held a joint meeting Friday, March 13, in the Union building.

President J. W. Jones gave a welcome speech at the opening meeting, which convened at 9:30 a.m.

Mr. Bill Taff, Bethany principal, and Mr. Ralph Cater, reading clinic director at this College, conducted discussion on "The Joplin Plan of Teaching Reading."

Mr. Wayne Snyder, principal at Kansas City, gave a report of the national DESP meeting. Dr. Leon Miller, chairman of the division of education, was the speaker at noon.

Dr. W. J. Underwood, assistant superintendent of schools at Lee's Summit, spoke on "The Elementary Principal as a Supervisor of Instruction" during the afternoon session. Mr. Luke Boone, chairman of the instructional materials bureau, spoke on "The Implementation of Curriculum Materials in the Elementary School."

'Seven Keys to Baldpate' Wins
Acclaim for Acting and Scenery

Acting and scenery were up to the College drama department's usual standard of perfection, but disappointment in parts of the play was expressed by some people who saw "Seven Keys to Baldpate," which was presented in the auditorium last Thursday and Friday evenings.

Seniors May Get
Federal Positions

Senior students who will receive a bachelor's degree during this school year can qualify for appointment to federal positions by successfully passing the Federal Service Entrance Examination, which will be held April 11, 1959. Closing date for test application is March 26, 1959.

To take the examination the applicant must mail a completed Form 5000-AB to the U. S. Civil Service Commission, St. Louis, by March 26. Forms 5000-AB may be obtained from college placement officers or from any first class post office. The examination will be held at Kansas City and St. Joseph.

Social Security Administration offers a beginning salary of \$4,040 yearly. After 18 months on the job the pay is increased to \$5,470.

Two Teams Attend
Judging Contest

Two livestock judging teams from the College participated in judging contests recently.

One team won the livestock judging contest at Berea College, Berea, Kentucky. The team composed of Bill Simmons, Nelson Thornton, Dick Johnson, and Fred Conner outscored the second place team, Illinois State Normal University, by 16 points in swine, sheep, and beef cattle judging.

Twelve teams were entered from colleges in Illinois, Missouri, Indiana, Kentucky, and Louisiana. In addition to being the high scoring team, Simmons, Thornton, and Johnson were in the top ten high scoring individuals.

Another team participated in the Woodward, Oklahoma contest where it placed third in competition with eight other teams. Members of the team were Phyl Standley, Melvon Anderson, Tim West, Joe Pepper, and Charles Patterson.

Members of the teams were accompanied to the contests by F. B. Houghton, livestock judging coach, and John Beeks of the agriculture department.

Bill Simmons served on a committee making plans for a national honors society.

The Stroller . . .

Taking a look around the campus, one can see that there are many changes that have been made, many in the making, and many to be made. We now have new dormitories, the new classroom building is nearing completion, the gym is well underway in its construction, and now work is beginning on a new addition to the Union building. Looks like the campus is taking the lead in progress.

Speaking of buildings, have you noticed the mansion the Sig Taus have recently purchased? Of course it doesn't have a swimming pool in the rear, but it's sure nice. The Stroller also has it from a pretty reliable source that the present TKE building is strictly a temporary structure.

Switching of locks on the rooms in the Library caused some disruption in the normal flow of traffic a couple of weeks ago. It seems that the lock on the door of room L1 simply would not unlock, necessitating the unorthodox exit of ten women and two men through the windows in order to report to their next classes. Orazy!

Well, it's time to burn the midnight oil for midterms. Got all the tools: textbooks, paper, pencils, desk, chair, assignments, past pop quizzes, but DINKY-NAI (Japanese for "No Light upstairs"). That's the same thing as having a hat, but no head to put it on.

To be cited for a job well done are actors Carl Redmon as William Hallowell Magee, harassed novelist; Marilyn Gillis as Mary Norton, newspaperwoman; Dann Bachand as caretaker Elijah Quimby; Ann Newcomer as Mrs. Quimby.

Dave Vos Is Criminal

Dave Vos as John Bland, partner in crime to a corrupt businessman; Eileen Rittman as Mrs. Rhodes, chaperon to Mary Norton and fiancée of the crooked mayor; Dan DeMott, playing the role of Peters, the ghostly hermit; Ruth Curfman as Myra Thornhill, adventures; with a Brooklyn accent; John Quastler as Lou Max, soft-hearted crook.

Del Smith as Jim Cargin, grafting mayor; Bill Lippincott as the very nervous, corrupt corporation president; Bill Price as Jiggs Kennedy, the wild-west style small town cop; Leon Walker and Ronald King, policemen; and Jerry Lucht, the owner of Baldpate Inn.

Setting Receives Comment

Receiving much comment was the setting for the play, especially the balcony which appeared to be very solidly constructed for the hard wear it took.

Assisting with the production were John Bush, stage manager; Mary Pritchard, house and ticket chairman; and Jeanne Kramme and Rosalee Anderson, ushers.

Dr. Ralph E. Fulsom, chairman of the speech and drama department, directed the play.

Dick Hargrave to Attend
University Dental School

Dick Hargrave, graduating senior chemistry major, has been accepted as a student in the School of Dentistry at the University of Kansas City. He plans to enter the dental school in September. It will be a four-year course.

Dick is the son of M. and Mrs. R. E. Hargrave of Maryville. He is minoring in biology and is a member of Tau Kappa Epsilon fraternity and the M Club.

Notice

Any student who is absent from classes is confined to his room after 5 p.m. until he is able to return to classes. All illnesses at the Quad must be reported to Dean Lon Wilson.

No excuses will be issued from the Health Office without a written statement from Mr. Wilson.

Off-campus students must have the House Mother call the Health Office and they must also have her written statement.

This is a must.

Books Are Theme Of Recent Meeting

"Children Need Interesting Books" was the theme of the Association for Childhood Education meeting held Wednesday, March 11, at the Horace Mann library.

Program chairman for the meeting was Kay Reid, who introduced those participating in the event. Miss Barbara Wilson, Horace Mann librarian, assisted by student teachers under her direction, presented the program.

Hello, World!

Congratulations to Mr. and Mrs. Jack Beemer, Vets Village, who are the parents of a son, Brent Allen, born December 27. Mrs. Beemer, the former Miss Ferral Foster is a senior, and Mr. Beemer is a junior.

Congratulations to Mr. and Mrs. Lou Linville, who are the parents of a daughter, Denise Michele, born December 29. Mrs. Linville, a former student here, is the former Miss Barbara Sharp. Mr. Linville was graduated from the college in 1957. The Linvilles are living in Kansas City.

Miss De Luce Attends Meeting in New York

Miss Olive DeLuce, head of the art department, attended the National Art Education Association meeting in New York last week. Miss DeLuce was gone from Monday, March 9, to Tuesday, March 17.

Phi Sigma Holds Officer Elections

Phi Sigma Epsilon fraternity elected Richard Fleming as their new president for the coming school year. He took office on March 10, along with the other newly elected officers.

Other new officers are as follows: Ronald Kixmiller, vice-president; Don Anderson, secretary; Douglas Drake, treasurer; Clifton Schmitt, pledge master; Bill Simmons, assistant pledge master; Francis McGinnis, janitor; Phillip Johnson, sergeant-at-arms; Bob Kruse, reporter; Kenneth Cummins, intramural director; Bill Sutter, political director; Steve Moore, scholarship chairman; Ken Gerardy, historian; and H. D. Mitchell, parliamentarian.

Engagements and Pinnings

Congratulations to Peg Riley and Harold Wilkinson who were recently engaged. Peg is a junior from Kansas City. She is majoring in art and minoring in English. She is a member of Alpha Sigma Alpha sorority, Swim Club, and Art Club.

Harold is a senior from Mound City. His major field is physical education and his minor is industrial arts. He is a member of Sigma Tau Gamma fraternity, the "M" Club, and SNEA.

Track Team Prepares for Conference Meet

'Cat Squad to Run at Columbia In First Indoor Track Session

Bearcat cindermen will travel to Columbia on Saturday, March 21, to participate in the MIAA Conference indoor track meet. The first events will begin at 6:30 p.m., in the fieldhouse at the University of Missouri.

Other schools in the Conference who will send teams are Cape Girardeau, Kirksville, Rolla, Springfield, and Warrensburg.

Scoring a 22 point total, the Bearcats nabbed a fourth place finish in last year's indoor session. The Bearcat place winners in that meet were Bill Croy, who won a first in the pole vault; Roger Wake, first in the broad jump; Clifton Schmitt, 3rd in the 60 yard low hurdles; 2nd in the 60 yard high hurdles; William Currey, 4th in the 440 yard dash. The mile relay team composed of Currey, Schmitt, Wake and James won a 3rd in the mile relay.

Weather Has Slowed Workouts

Paul Turner, head track coach, has been directing the team through workouts under somewhat poor conditions. The weather has been a major factor in the slow progress of the team in their workouts. Another factor is the poor condition of the track caused by the construction work on the new gym. The track is filled with deep ruts, and construction equipment lying around the track has prevented the team from putting full effort into their workouts.

Even with these adverse conditions—the team is striving to get into shape. With the example and the hard work of the lettermen, who look good in practice, some new men have been showing a lot of promise. Bob Garten, Sam Porter, and Gene Lust have been running the 880 yard dash and some distance events with good results. Miller and Stephens Look Good

Leo Miller and Tom Stephens look very good in the high jump and Allen Kearnes is coming along in the 440 yard dash. In the distance runs, Ray Rouse and Gary Frueh have been cutting seconds off their times and are coming along very well.

Letterman Clifton Schmitt is finally out, but his sore knee still seems to be giving him a little trouble. Coach Turner said he won't quite be ready for the hurdles but may run the 440 yard dash for a while to strengthen his legs.

Bowling Will Begin At Nodaway Lanes

Bowling intramurals are tentatively scheduled to begin Monday, March 23, at 4 p.m. at Nodaway Lanes. All men students who signed up for bowling are urged to watch the bulletin boards in the Administration building and the gymnasium for definite notices.

Bowling will be held as a round robin tournament. The team with the best record for the season will be declared the winner. One match will consist of two lines, which will cost the participants 60 cents. Shoes will be furnished free.

Students interested in badminton intramurals should also watch the bulletin boards for the announcement of its beginning. Players need not sign up previous to the tournament.

Volleyball is under way at the present time.

Dr. H. D. Peterson, wrestling coach, has stated that he is going to enter Doyle "Tank" Thomas in the National College Athletic Association wrestling tournament to be held at Iowa University the last week in March. Doyle stands 6-1 and weighs 255 pounds. He is undefeated this season, winning 11 of his 12 matches by pins. Good luck, "Tank!"

Baseball coach, Marion Moss, reports that 18 games have been scheduled so far, and the schedule will be released when it is complete. Eight pitchers and four catchers have reported for the early practice sessions. When the rest of the squad begins workouts, he will have a total of eight lettermen returning.

According to track coach Turner, "Too many good high school track athletes aren't ambitious enough to continue to be so." He says, "I feel I have a nice crop of freshmen out this year, but it ought to be better. If they could give me an hour of their time a day, I like to think I could help them; they could help themselves, mentally and socially; and they could help the school, and that is a healthy situation."

Bearcat Grapplers Finish '59 Season

Dr. H. D. Peterson's Bearcat grapplers finished the 1959 season with a resounding 36-0 victory over Missouri University last Tuesday night, March 10.

It was the second win this year over the Tigers, as the 'Cats previously trounced them, 38-0, here in Maryville. Six pins featured the tenth straight Northwest Missouri State win against no setbacks.

The season was the second for competitive wrestling for the Bearcats, although intramural wrestling was on the schedule about 32 years ago.

Results were as follows: 123 lbs., Lynn Peterson decisoned Rich; 130 lbs., Ralph Messerli pinned Jones; 137 lbs., Roger Shoening defeated Godi; 147 lbs.,

Tourney Play Is In Full Progress For Girls' Sports

Tournament play in the women's intramural program is now in full progress. The bowling tournament and the basketball tournament having been completed, interest is high in the coming volleyball tournament.

Bowling, a popular sport with the girls, was characterized by heavy participation. The tournament was won by the "Second Floor Smoothies" with the "Alpha II" team coming in a close second. Third and fourth places were won by the "Pem Club" and the "Tri Sig I" teams, respectively. The Delta Zeta team won fifth place and the "Phi Phi's" were sixth. The "Alpha I" and the "Tri Sig II" teams won seventh and eighth places, respectively.

Basketball, also strong in competition, was won by the "4th Floor Dorm" team with the "Rockettes" finishing a close second.

Volleyball tournaments started last Monday with about ten teams participating.

Next on the schedule for the girls will be a doubles tournament in badminton. All girls interested in badminton are urged to participate.

Zo Ann Holt

College Girl Will Soon Shout 'Fore'

With the coming of spring, it won't be very long before Zo Ann Holt will be shouting "Fore!" around this area again.

Zo Ann, a junior physical education major from Maryville, is a little girl with a mean swing—in golf, that is—and a big credit to women "duffers" in this area. She has been city champion in Maryville for the past two years.

Beginning as a caddy for her father, Zo Ann credits him and her brother for encouraging her in golf. She began playing at 12 years of age and won her first tournament at 13.

Zo Ann graduated from Clearwater High School, Clearwater, Florida, where she lettered in golf her last two years. She won the outstanding golfer award in her freshman year at Christian College, Columbia.

She has a score ranging from 38 to the low 40's for a 9-hole course.

Nine Will Receive Wrestling Letters

Coach H. D. Peterson announced last week that nine of the thirteen men who participated in wrestling for the Bearcats this season would be awarded varsity letters. They are as follows: Doyle Thomas and Larry Schweizer, seniors; Jack Mendenhall, Jim Clayton, Bill Waugh, Harold Wilmarth, Roger Schoening, Ralph Messerli, and Lynn Peterson, freshmen.

Three of these men never lost a match in helping the Bearcats to an undefeated 10-0 season in their second year on this campus. Doyle "Tank" Thomas, Jack Mendenhall, and Jim Clayton were unbeatable this year. Clayton was forced to forfeit one match, due to stomach cramps, but this forfeit isn't recorded as a loss.

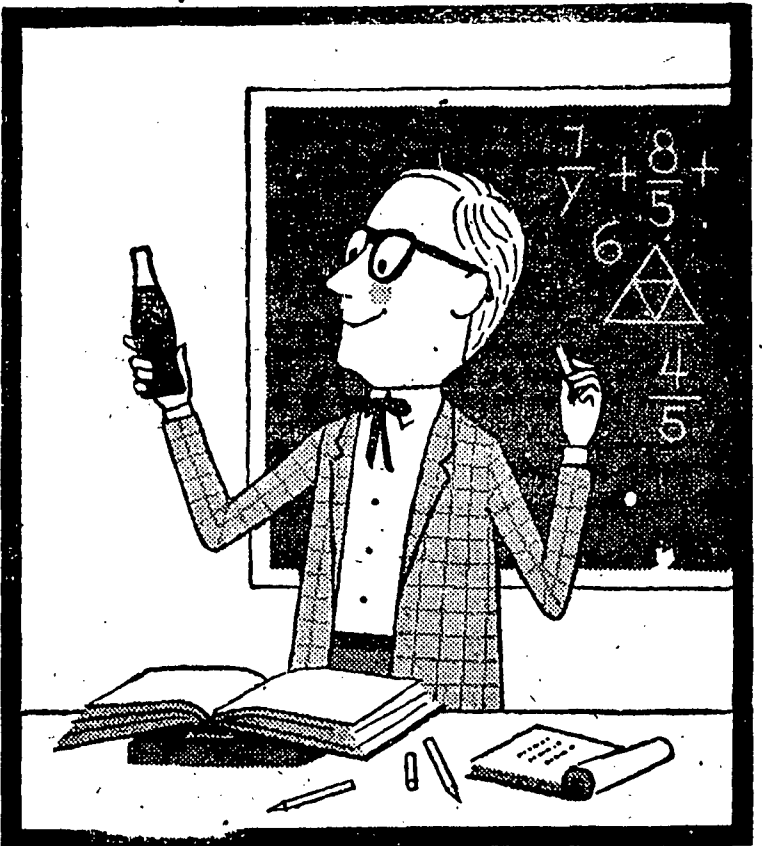

By winning four firsts out of eight entries the 'Cats also copped the second place trophy in the AAU district tournament at Hays, Kansas.

Seven of these lettermen will be returning next year; so Dr. Peterson is looking forward to another successful season.

A note of congratulations is due to Coach Peterson and his wrestlers for their victorious season.

Q.E.D.

Yes, it's been demonstrated time and time again, that for real refreshment it's Coke every time! Add up that cold crisp taste, that lively lift and you really have a drink worth going after. So whenever the crowd has a multiple thirst, make the high sign of good taste . . . pass around the Coca-Cola! Quod Erat Demonstrandum!

BE REALLY REFRESHED...HAVE A COKE!
